

French and UK customs and borders administrations invite you to a...

“Short Straits Technical Webinar”

On exporting goods from the EU / importing goods to Great Britain from 1 January 2022

Monday 8th November - 15:00-17:00 CET

This event is for hauliers, transport & logistics associations, customs brokers and freight forwarders and features:

- End to end customer journey of what the actors in the supply chain needs to know and do before departure, at the EU border, during the crossing and on arrival into Great Britain
- French and UK customs and borders administrations will be available to answer your questions
- Presentations on Kent / UKs Inland Border Facilities (IBF) and processes for clearing goods
- Forward look to the 1 July 2022 changes and what the actors in the supply chain needs to know
